Adam Haubert- Constrained by Scouts not being able to gather

Fields-C Field looks good wants to add dirt. Pool opening need to get dirt moved, talked to Donnie. Doing C&B, Howard worked on A.

New Business:

Clinics and Pick-up games- During the summer do something to get the kids together. A lot of people reached out to help.

July tryouts for Blue Sox tentative dates

Misty- Should keep kids that were supposed to play this year

Info is confusing as far as county and organization under the Rec Council. Private teams can play and we can't. Rec and Parks put out statement for minor instruction but took that back.

Fall Ball- Really would like to do it. Last year was a blast, lots of fun. 2 teams worked out well playing other teams. Hampstead playing Fall may ask them if they want to play.

Thoughts of things to do, small opening day. Reached out to football about using A Field for fall Justin Otto was receptive.

Travel- Haven't heard anything from MABA. July and August Tournaments told them we weren't allowed on the fields until July.

Tournaments- Cancel Travel and refunds, if there is an opportunity to play after July and your kids are physically able to play they can enter tournaments.

Tiff & Matt- Are there more regulations for fall ball

Ben- First time we played fall ball with Westminster, confusing rules in 7/9 young team or not rules made up on the day of. Better communication

Dave: 10/12 Not enough kids to play if the ages were different

Ben Scherer- Target date to start fall ball

Ben Lamp- Registration in July start in August games in September can't play after Nov. 30th

Dave Crafton- When and where can we get our uniforms?

Jeffery- Meet me at the shed to get uniforms. Once you play MABA you can't play fall ball with Westminster

Dave-11/12 parents interested I Tournaments. Down 1 or 2 kids one moved to Virginia

Tom- Have kids that could move up. What is the distance 48/50ft pitching

Birthday Cutoff April 30, 2021

Clarification for MABA- Manchester Baseball Cancelled the season, July and August still difficult to play

Dave- need a few practices before they can play

Ben- we want the kids to play baseball, if we can't do it safely we can't do it

Alecia- Push MABA to get money back
